

Enhancing Learning Plan

SCHOOL DISTRICT 58 • Nicola-Similkameen

GOAL 1

Goal statements help to focus priorities for improving student learning.

Objectives help to focus goals into more specific areas of attention.

Rationale

A rationale is a thorough and connected set of reasons, based on evidence, for the selection of goals and objectives.

Performance Indicators/ Evidence

Performance Indicators are measures used to indicate progress towards attainment of goals and objectives.

Performance Targets (Expected Results)

Clearly articulated expectations for short-term and long-term results support district planning for enhanced student performance.

Achievement of Performance Targets

Achievement, or progress towards

achievement, of established performance targets informs ongoing district planning.	
Strategies Clearly articulated strategies connect district efforts and activities with desired student results. Strategies are presented as succinct statements outlining actions and activities, directed toward student learning, that clearly link to achieving district goals and objectives.	
Structures Structures focus on activities that align district resources, time, personnel and organizational planning to support achievement of goals and objectives
